

## SCIGRIP achieves Gold Standard GREENGUARD Certification

**7<sup>th</sup> October 2015, Washington, UK** – As the demand for sustainable products continues to gather pace, SCIGRIP, a global supplier of smarter adhesive solutions, appreciates customers value authentication from industry certifiers to guide their purchasing and specification decisions.

SCIGRIP is therefore pleased to announce their entire range of 10:1 and 1:1 methacrylate adhesives have been awarded the Gold Standard GREENGUARD Certification. This is the highest level of certification and means the products have met some of the world's most rigorous and comprehensive standards for low emissions of volatile organic compounds (VOCs) into indoor air.
