

## SCIGRIP appoints Euroresins as distributor

12<sup>th</sup> October 2016, Washington, UK - SCIGRIP, a global supplier of smarter adhesives solutions, has agreed a distribution partnership with Euroresins UK Ltd. Euroresins is a premier distributor of products to the composites resins industry and maintains a strong sales presence across Europe.

The arrangement is effective immediately and will offer UK customers rapid and easy access to the most advanced methyl methacrylate (MMA) adhesive technologies than ever before. SCIGRIP's range of MMA products offer a combination of strength, toughness, ease of use and are already successfully in service in numerous challenging applications.

"The composites market demands prompt, reliable and efficient solutions. We view our partnership with Euroresins as a positive and progressive move toward the increased use of MMA technologies throughout UK manufacturing", remarks Tim Johnson, SCIGRIP's European Sales and Marketing Manager.

SCIGRIP anticipates their advanced MMA technologies will continue to appeal to manufacturers seeking superior assembly performance and improved productivity levels within the transportation, marine, building and construction industries.

SCIGRIP and Euroresins will both be exhibiting on the 2<sup>nd</sup> and 3<sup>rd</sup> November at the Advanced Engineering Show 2016, Birmingham, UK.
